OLD BUSINESS

Page Creek Planting

Kevin wanted to include Janice in the discussion on a possible community event for planting. He will introduce her to Julia from USFS to help coordinate.

NEW BUSINESS

- Clear Creek Lab discussion- Likely a moot point as a meeting has been scheduled to discuss a potential rework of the lease. The Council may have an interest in the outcome at some point because we may share space if we are successful in obtaining a Water Quality Grant in the future.
- Plant Sale Idea- Garden Club is open to the idea of sharing the sale. Spring dates are not great for native plants. Discussed proposing a March Native sale to Garden Club. Patty would help.
- **IVSWCD** has proposed that we contract to handle the community engagement piece for their Post Fire grant if the Board is amenable. Discussion was held.

- **Bob Schmidt** has resigned from the Council citing an inability to effectively serve. Discussion was held as to a proper acknowledgement for his years of service.
- Illinois Valley Garden Club is considering a request by Janice Denney to make a donation to the Council. It will be discussed at their next meeting.
- Patty Downing asked about the timeline for when we could do a fundraising plan. Kevin stated that he and the SWCD manager had a meeting set up with Rogue River WC's Executive Director on that subject set for November. Arlyse mentioned that she had also tentatively gotten a former CEO of a successful Non-Profit to agree to meet with us regarding fundraising at some point in the near future. Patty suggested we also speak to Kate Dwyer. Kevin mentioned he intends to write a technical assistance grant to OWEB and possibly a foundation to raise the money for an employee who can help with this.

Hello all-

As a reminder, I will not be at this meeting, so hopefully Patty or someone will take notes for me. This is my weekend to go walk 60 miles in the fight against breast cancer, so think good thoughts.

After a recent QuickBooks training session, I had an email conversation with the trainer regarding conversion to QuickBooks Online. Everyone I talk to believes it is inevitable that desktop will eventually be eliminated. It appears that they have made some improvements to the online version and I think it may be time for us to take the leap.

My suggestion is that the Council move to online in January. We would pay \$80 a year to TechSoup for the subscription fee. My other suggestion is that we enlist QuickBooks Made Easy to help transition us from Desktop to Online. I will have access to an accountant to set up the accounts properly and roll everything in. That fee might be as much as \$350 but worth every penny. The retail price for the level of QuickBooks we would get for \$80 a year is \$49.50 a month, so we would save enough to pay for that help in less than a year. Once I am comfortable with the software, I can work on getting the District an account. It's time to move out of my comfort zone.

Don't forget the All-Council Brainstorming session on Monday November 11th at 10:00. Arlyse
